

RIVERMONT EVANGELICAL PRESBYTERIAN CHURCH

WORSHIP SERVICE OPTIONS

Following the governor's Phase One allowance for churches to meet for worship at 50% of seating capacity, we will provide three worship service options starting Sunday, May 24. These are subject to change if we move out of Phase One in either direction.

OPTION 1:

ONLINE WORSHIP SERVICE

Choose this option if:

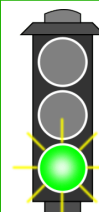

- You are currently quarantined.
- You are displaying any symptoms
- You have compromised health
- You desire to stay home for any other reasons.

OPTION 2:

8:00AM WORSHIP SERVICE

1. Choose this option if you are at a higher risk or desire an abundance of caution.
2. **Cloth face coverings required** for everyone over the age of 2.
3. The first service of the day will provide the lowest possibility of contamination.

OPTION 3:

11:00AM WORSHIP SERVICE

1. Choose this option if you are at a lower risk.
2. **Cloth face coverings optional** (though encouraged) for everyone over the age of 2.

We will be following the VA guidelines for churches in Phase One in all of our gathered worship services. Here are a few notable procedures and precautions to keep in mind:

- Worship Services will be capped at 150 persons.
- We will utilize online signups to ensure 150 capacity is met.
- Enter and exit through sanctuary doors only as the rest of the building remains closed.
- All ushers will wear cloth face coverings.
- We will incorporate a social distancing seating pattern.
- Hymnals & pew Bibles will be taken out
- Bulletins will be placed on seats
- We will have limited singing and responsive readings.
- We will not "pass the peace" or collection plates.
- Each row will be dismissed by ushers.
